**PLEASE JOIN US FOR THE 32nd ANNUAL
 COPLEY GOLF SCRAMBLE ON JULY 13
 AT THE STOWE COUNTRY CLUB.**

Your participation helps Copley continue to care for our community. Over the years, Copley's Scramble has helped purchase needed medical equipment and technology, renovate and outfit patient rooms, as well as ensure care is available for those in need through the hospital's charitable care program. Combine this good cause with friends and a great course and it's a win-win.

Last year, thanks to the support of our golfers and more than 40 local and regional businesses, the Scramble raised \$21,200 for Copley. With your help, we can do that again!

Your player package includes 18 holes of golf with cart, awards luncheon and a tax deductible donation to our community hospital. We appreciate your consideration and hope you'll join us on July 13. Thank you!

For more information on what each level includes, please contact our Development office at 888-8302, email jbaker@chsi.org, or visit www.copleyvt.org/support-copley/events/copley-scramble
